### 5<sup>th</sup> International Conference: “Literacy and Contemporary Society: Creativity, Equity, Social Action”

4-5-6 December 2023  
Nicosia, Cyprus

**REGISTRATION IS NOW OPEN**

We are pleased to announce that Registration is now available for the 5th International Conference on “Literacy and Contemporary Society”, titled: **Creativity, Equity, Social Action** organized by the Cyprus Pedagogical Institute, Cyprus Ministry of Education, Sport, and Youth, in collaboration with the University of Cyprus.

The conference will be held on 4-5-6 December 2023 at the Filoxenia Conference Center, Nicosia, Cyprus.

Focusing on "**Creativity, Equity, Social Action**", the conference attempts to highlight the dynamic, social, and critical dimensions of literacies in times of crisis. The conference aims at providing a platform for the discussion of ways in which individuals, groups, and societies can work together creatively, to promote and maintain relations of dialogicality, equality, and coexistence, not only among people but also between people and nature, matter, and technology. Seeking literacies that ensure equity and (social) sustainability, the conference provides space for interested delegates to consider relevant issues that extend beyond language teaching and concern literacy education in its broader terms.

The conference addresses teachers, undergraduate, postgraduate, and doctoral students, academics, researchers, organizations, and other stakeholders interested in promoting language and literacy, as well as literacy education in and beyond school.

**Registration is now open!** To proceed to registration, please follow the link: <https://forms.office.com/e/n6zuGz5ds3>

**Participation in the conference is free of charge.**
