# Add a Question

The screenshot shows a web interface for adding a question. At the top, there is a toolbar with icons for bold (B), italic (I), superscript ( $x^2$ ), subscript ( $x_2$ ), and a symbol ( $\Omega$ ). Below this is a large text input field labeled "Question 1" containing the number "1", with a red circle and the number "1" overlaid on it. To the right of the input field is the number "95". Below the input field are two tabs: "Image" and "Video (Experimental)". To the right of these tabs is a dropdown menu set to "Points question" and a "Time limit" dropdown set to "30 secs", with a yellow circle and the number "2" overlaid on the "Time limit" dropdown. Below these elements is a large grey area with the text "Drag and drop an image from your desktop here" and "or choose a file". In the center of this area is a "Browse..." button and the text "No file selected.", with a blue circle and the number "3" overlaid on the "Browse..." button. Below this area is a line of text: "Adding images to questions makes your quiz more engaging! If you choose not to, we'll put one of our own in for you". At the bottom of the interface is a navigation bar with buttons: "1 Next", "- Delete question", "+ Add question", "Cancel", and "Next: 5".

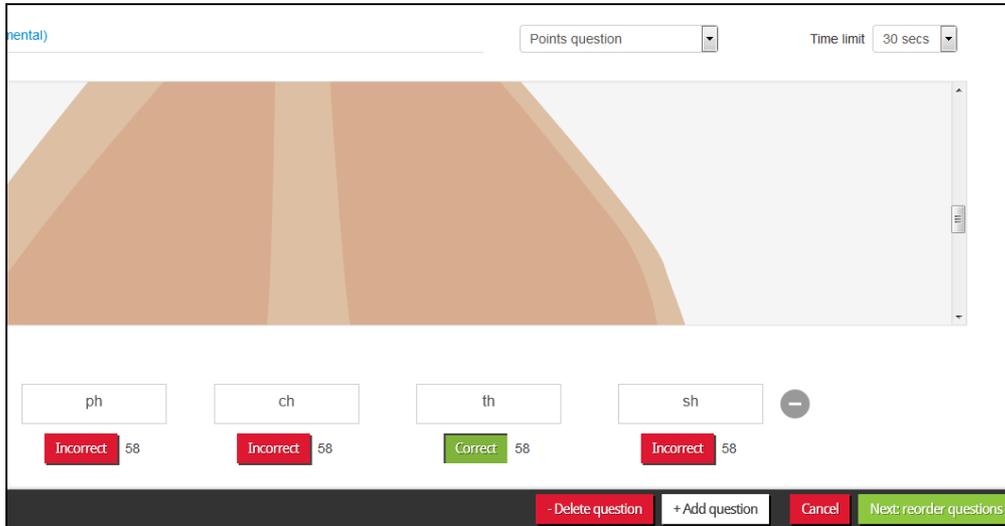

1. Type your question.
2. Choose question type & time limit.
3. Browse to find an image or video from your computer (optional).

# Create Answer Choices

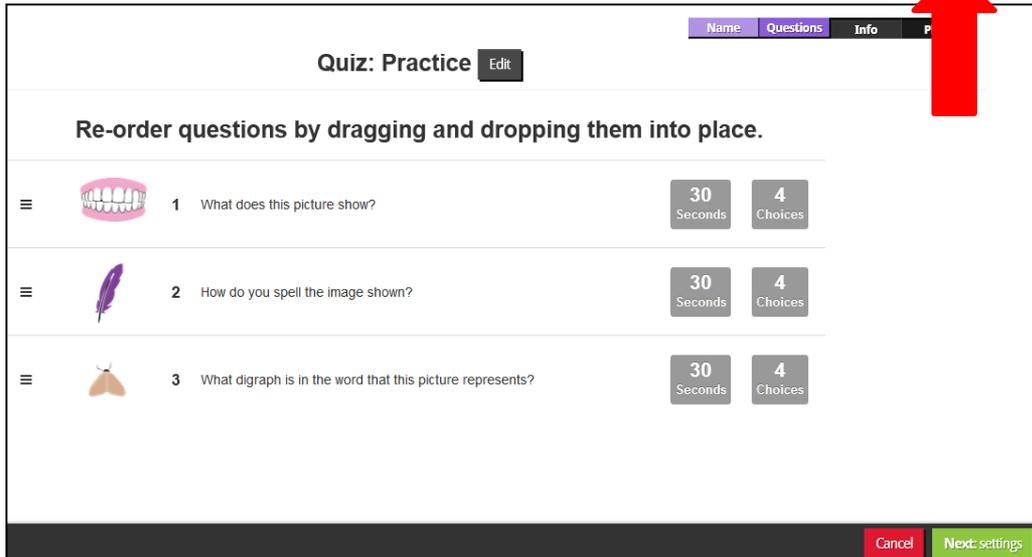

The screenshot shows a question creation interface. At the top, there are tabs for 'Image' and 'Video (Experimental)'. To the right, there is a 'Points question' dropdown and a 'Time limit' dropdown set to '30 secs'. The main area displays a cartoon illustration of a set of teeth. Below the image are four answer choice boxes: 'Chicklets', 'Teeth', 'Tongue', and 'Feet'. Under each box is a feedback box: 'Incorrect 51' for Chicklets, 'Correct 55' for Teeth, 'Incorrect 54' for Tongue, and 'Incorrect 56' for Feet. A minus sign button is located to the right of the 'Feet' box. At the bottom, there is a navigation bar with buttons for 'Next', '- Delete question', '+ Add question' (circled in red), 'Cancel', and 'Next: see'.

1. Type an answer choice in each box.
2. Click the – button for fewer answer choices.
3. Identify the correct answer choice by clicking the box beneath it.
4. Add another question.
5. Repeat until finished with questions.

# Finalize your Kahoot

1. Select "Next: reorder questions."
2. Reorder questions by dragging and dropping them into place (optional).
3. Select "Next: settings."

# Choose Settings

1. Choose privacy settings, primary audience, difficulty level, add description, and tags.
2. Select "Next: cover image."

# Add Cover Image &/or a Video

The screenshot shows the Kahoot! quiz editor interface. At the top, there's a navigation bar with 'New K!', user information, and the Kahoot! logo. Below that, a progress bar shows '1. Name', '2. Questions', '3. Settings', and '4. Done'. The main title is 'Quiz: Library Introduction' with an 'Edit' button. A note says 'Optional: Give your quiz a cover image'. Below this is a large grey box with a bookshelf background. It contains the text 'Drag and drop an image from your desktop here' and 'or choose a file'. There's a 'Browse...' button and the text 'No file selected.'. Below that, it says 'Adding images makes your quiz more engaging! If you choose not to, we'll put one of our own in for you'. At the bottom of the grey box, there's an 'Experimental!' section with the text 'Embed a YouTube video to be displayed in the background of the lobby screen as players join the game!' and a text input field containing the YouTube ID '0Hk28DFxLbY'.

1. Browse to add a cover image to your quiz (optional).
2. Embed a YouTube video by copying & pasting the end of the YouTube link (ex: <http://youtu.be/0Hk28DFxLbY>) that will play while your students are joining the game (optional).
3. Select "Done."

# Preview Your Kahoot

The image illustrates the process of previewing a Kahoot! game. It is divided into three main sections:

- Desktop Interface (Left):** Shows the 'DONE! LIBRARY INTRODUCTION' screen. It features a purple 'Play now >' button, orange 'Preview' and 'Edit' buttons, and a link to 'View Kahoot page or make another one'. Below this is a 'SHARE YOUR KAHOOT NOW' section with social media icons and a URL: <http://goo.gl/V4kLuk>.
- Mobile Interface (Right):** Shows an iPhone displaying the Kahoot! app. The screen has a blue background with the 'Kahoot!' logo, a white 'Game pin' input field, and a purple 'Enter' button. At the bottom, it says 'Make your own at [getkahoot.com](http://getkahoot.com)'.
- Video Player (Center):** Shows a video player with a play button. Above the video, there is a 'Join at kahoot.it' link and a 'With game-pin: 34966' box. A browser window inset shows the Kahoot! app interface with the game pin '34966' entered and an 'Enter' button. A 'Start now >' button is visible in the bottom right of the video player area.

1. Select Preview.
2. Select Launch.
3. Enter the game pin in the iPhone on the right of the screen & click Enter.
4. Type in a nickname and select Join Game.
5. Select Start Now.

2. Students tap the shape on their iPads/devices that corresponds with the correct answer.

# Monitor Comprehension & Participation

Q2 How do you spell the image shown?

The quiz interface displays a question: "Q2 How do you spell the image shown?". Below the question is a scoreboard with four colored boxes: a red box with a triangle and a score of 0, a blue box with a hexagon and a score of 0, a yellow box with a circle and a score of 0, and a green box with a square and a score of 1. To the right of the scoreboard is a purple "Next >" button and a smaller "End quiz now" link. Below the scoreboard are four answer options, each with a colored box and a text label: a pink box with a triangle and the text "fether", a light blue box with a hexagon and the text "feater", a yellow box with a circle and the text "feathr", and a green box with a square and the text "feather" which has a white checkmark next to it.

## Scoreboard

The scoreboard is displayed on an orange background. It features a purple "Next >" button and a smaller "End quiz now" link in the top right corner. Below this, a white box contains the name "Heather" and the score "1583".

1. Results will appear after each question.
2. A Scoreboard will also appear after each question (based on being correct & time to answer).
3. Click "Next" to go to the next question.

# Try Kahoots from Others

The screenshot shows the Kahoot! website interface. At the top, the navigation bar includes a 'New K!' button, a user profile 'Me (Public (248.7k))', and a 'Help' dropdown. The 'Public (248.7k)' dropdown is circled in red. Below the navigation bar, there are filter tabs: 'Featured', 'All', 'Most plays', 'Most players', 'Most favourites', and 'Most shares'. A search bar is located below the filters, containing the text 'Title, subject, tag or username' and a search button. The search bar is also circled in red. Below the search bar, there is a 'More actions' dropdown. The main content area displays a list of quizzes. Each quiz entry includes a thumbnail, the title, the creator's name and when it was created, the number of questions, and the audience type. To the right of each quiz entry are buttons for 'Play', 'Favourite', and 'Share', each with a corresponding count.
